### CLASS-LEADING AIR SEAL

### OEM EQUIVALENT EQUIPMENT FIT

GMI Wheels' **HD SERIES** machined wheels roll ahead of the class in air seal, tire life and quality, for long term reliability and cost savings.

Built for the extreme duty applications faced by the CAT 992K, the **HD SERIES WA5-5747-AL01-D05** (60/80R57, 70/70R57) exceeds OEM quality, yet retains standard fitment for seamless installation and performance.
